PERSONAL INFORMATION

Name	MIFTA ZEYNU TEKI
Address	ADDIS ABABA, ETHIOPIA
Telephone	+251947723924
Fax	
E-mail	Miztyo@gmail.com
Nationality	Ethiopian
Date of birth	[13, September, 1989]

WORK EXPERIENCE

Dates (from – to)	Feb.2013 – now
Name and address of employer	INFORMATION NETWORK SECURITY AGENCY. Addis Ababa, Ethiopia
Type of business or sector	Governmental organization
Occupation or position held	GIS analyst and Aerial surveyor
Main activities and responsibilities	Mission planning and quality checking, aerial photo acquisition for the planed mission area, operating aerial navigation systems, processing the collected raw data and GNSS, Radiometric correction, aerial triangulation, DTM generation, orthophoto production and ortho mosaicking.
Dates (from – to)	August 6.2011 – December 6.2011
Name and address of employer	MINISTRY OF URBAN DEVELOPMENT AND CONSTRUCTION. Addis Ababa, Ethiopia
Type of business or sector	Governmental organization
Occupation or position held	Land information system expert
Main activities and responsibilities	Preparing cadastral mapping standards, following up regional sectors to develop sustainable cadastral system and developing land information system database
Dates (from – to)	October 11. 2010 – August 5. 2011
Name and address of employer	MINISTRY OF AGRICULTURE. Addis Ababa, Ethiopia
Type of business or sector	Governmental organization
Occupation or position held	Land surveyor
Main activities and responsibilities	Capacity building for regional sectors, surveying and preparing cadastral map to certify rural land owners, introducing rural surveying experts with new technologies and working with differential GPS

EDUCATION AND TRAINING

Dates (from – to)	11. July 2015 — 25. September 2015
Name and type of organization providing education and training	Occupational Competency Assessment and Certification Center (OCACC)
Principal subjects/occupational skills covered	Basic surveying skills, Differential GPS (TOPCON), total station(Sokkia 500), Theodolite, Leveling, Drawing and designing in AutoCAD, processing surveying data using Eagle point software, Basic business management and communication skills, cadastral surveying and topographic mapping, stereoscopic viewing, operating GIS softwares, 2D and 3D feature extraction and digital image processing (defining interior and exterior orientations. i.e. The camera parameters and GNSS, and performing aerial triangulation, DTM generation, calibration and mosaicking).
Title of qualification awarded	Occupational training and Competency Certificates
Dates (from – to)	October 18 — October 29, 2010
Name and type of organization providing education and training	Ministry of Agriculture SLMP and GTZ-SLM
Principal subjects/occupational skills covered	Feature extraction, land use classification, change detection and field observation
Title of qualification awarded	Certificate
Dates (from – to)	November 6, 2008 — July 10, 2010
Name and type of organization providing education and training	Adama University
Principal subjects/occupational skills covered	Basic surveying skills, programming, data communication and networking, GIS and remote sensing, Photogrammetry, cartography and other geo information technology disciplines
Title of qualification awarded	BSC Degree in Geo-Informatics

PERSONAL SKILLS AND COMPETENCES

Acquired in the course of life and career but not necessarily covered by formal certificates and diplomas.

Business management and
Customer handling

MOTHER TONGUE

Guragigna

OTHER LANGUAGES

Amharic, English, Arabic

	Amharic	English	Arabic
Reading skills	Excellent	Excellent	Good
Writing skills	Excellent	Excellent	fair
Verbal skills	Excellent	Good	poor

SOCIAL SKILLS

AND COMPETENCES

Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (for example culture and sports), etc.

I am sociable and can work with any one in working environment. I like working in group and share ideas with friends and colleagues. My profession mostly requires field work and I have stayed in the field for a long time collecting aerial photographs in Oromya, Amhara, South and Tigray regions, so it is worth to say that I am capable of working in group and communicate easily with peoples in multicultural environment.

ORGANIZATIONAL SKILLS AND COMPETENCES

Coordination and administration of people, projects and budgets; at work, in voluntary work (for example culture and sports) and at home, etc.

Managing and operating navigational materials like, aerial camera systems, work stations and aerial survey air craft in my organization. Handling family's business management at home.

TECHNICAL SKILLS AND COMPETENCES

With computers, specific kinds of equipment, machinery, etc.

Advanced computer skills like Programming, Networking and maintaining hardware and software technologies, operating air born sensors. acquired from educational background

Digital image processing using high capacity work stations (end to end, starting from mission planning up to ortho mosaic), collecting, processing and analyzing geospatial data. Integrating hardware and software technologies of aerial navigation system, operating Air born sensor (**Ultra large format Ultracam Eagle**) and flying and navigating the mission area to collect huge amount of aerial photographs using camera operating software and POSAV (Position and orientation system for aerial vehicle) acquired from training and work experienced

ARTISTIC SKILLS

AND COMPETENCES

Music, writing, design, etc.

ARCHITECTURAL DESIGNING. Acquired From Training

DRIVING LICENSE(S)

3rd Level driving license (Taxi/Auto)
